## Interactive role play centres based in South Derbyshire

Titchy Town and Hero Town are both indoor play villages designed especially for little ones up to 8 years of age. Children can freely explore the many different play zones in both villages. The villages are designed to allow children's imagination to run wild whilst they role play in a safe environment.

Grown-ups can participate in their child's play, or just sit back and watch them learn whilst enjoying a mug of freshly brewed tea or coffee and an amazing homemade cake from our little coffee shop.

## Where are we?

Titchy Town is based on the site of Scallywags Private Day Nursey in Chellaston (Rowallan Way, DE73 5WX).

Hero Town is based on the site of Scallywags Private Day Nursery in Melbourne (Castle Lane, DE73 8JB).

Please use Scallywags car park at both sites. You will find signage in both car parks on how to access the centres.

## How it works?

Both role play centres work on a pre-book via our website and pay on arrival basis with sessions lasting 90 minutes. On your first entry you will be issued a loyalty card and for every nine sessions you attend you will receive your 10th entry free of charge! Loyalty cards can be used across both sites. Payment is cash only.

Friends of the Baby Unit purchase many items for the unit over the year, Fleeces, Blankets, Dummies, Crafts, Printer Paper / Ink, and seasonal gifts for those on the unit over those special occasions such as Mothers / Fathers Day, Easter and Christmas.

We are now fundraising for essential equipment through 2024/2025 to a total of £140,000

**A Transport Incubator – A self-contained, mobile, intensive care unit £79,000**

A huge thanks to FOBU for their generosity in sponsoring the high fidelity transport incubator to neonatal unit, Derby. A transport incubator is an essential tool in providing life-sustaining care to these vulnerable infants during transit between healthcare facilities. It provides controlled temperature, humidity, and oxygen levels, all while shielding the baby from external vibrations and shocks. This advanced system ensures that even the most fragile newborns are safe during transport from one clinical area to another. Transport incubators have revolutionized neonatal care by improving the survival and health outcomes of newborns. This will make a huge difference to the quality of care we provide to the vulnerable babies born in our hospital.

# Let's Talk Dads

Hi, I'm Andy – a husband to Danni and a proud father of two amazing boys, Harry (6) and Harvey (4).

Christmas is the season of magic, and this year, I couldn't have asked for a better one. From adventures to Lapland to watching my boys shine in their nativity, enjoying valuable time with the family, and, of course, indulging in far too much food.

Let's start with Lapland—what an incredible experience! It felt like we'd stepped into another world. From husky and reindeer rides to the search for Santa himself, the whole adventure was nothing short of amazing. Meeting the big man in red was an experience that can only be described as magical.

Back home, the festive fun continued with the boys' school nativity. Harry did so well as his role as the narrator, while Harvey played a cheeky sheep with some impressive dancing. Watching them up there reminded me just how quickly they're growing up.

Of course, Christmas wouldn't be Christmas without family time, mountains of wrapping paper, and enough food to feed a small army. The best part? Seeing that priceless look of excitement on the kids' faces when they realise Santa's been.

Then came Boxing Day. We kicked it off at Derby Arena watching Cinderella pantomime, which is quickly becoming a Boxing Day tradition in our family. Between the catchy songs and the boys infectious giggles at every "It's behind you!" it was a real highlight. From there, we headed straight to Pride Park, where Derby County capped off the day with a win against West Brom. A perfect end to a jam-packed day of fun.

As we step into 2025, my focus is all about balance—creating incredible memories with the family while supporting Danni with her dog grooming business and keeping my own career goals on track.

With the excitement of moving into our new family home on the horizon, it's shaping up to be a big year full of fresh beginnings.

I'm looking forward to celebrating the success of various businesses at the Lots for Tots awards in April. Danni and I now have the hard role of reading all the supporting information and choosing who we think deserves to win!

Here's to making 2025 one to remember. Let's cherish the little moments, embrace the chaos, and continue building those special memories that make being a parent and a husband the greatest adventure of all.

Catch up with you all in May!

Andy

# EXTRA SWIMMING LESSONS COULD SAVE LIVES

**Learning to swim is a vital life skill which every child should experience.**

Swimming lessons at Everyone Active leisure centres help children to have fun and be active, as well as giving them the ability to get out of potentially dangerous situations.

Leading operator Everyone Active runs Moorways Sports Village in partnership with Derby City Council, as well as Etwall Leisure Centre and Green Bank Leisure Centre in partnership with South Derbyshire District Council.

The need for extra-curricular tuition is clear, with Sport England stating that nearly one in three children leave primary school unable to swim 25m unaided.

Everyone Active can help your child to learn a skill which could save their lives, thanks to its award-winning learn to swim programme.

The programme offers lessons for all ages and abilities, with child classes starting at four months, right through to adult classes. All swimming teachers are Swim England level 2 – or equivalent – qualified.

All stages are progressive and continually assessed. Children also have the opportunity to develop water safety skills and to take part in other aquatic disciplines.

**To find out more, visit [everyoneactive.com/centre](http://everyoneactive.com/centre) or phone Moorways Sports Village (01332 414310), Etwall Leisure Centre (01283 735404) or Green Bank Leisure Centre (01283 216269).**

# Gloworm Festival

## is back

Gloworm Festival will be returning to Thoresby park from the 8th - 10th August 2025

Gloworm Festival, nestled within the stunning Thoresby Park in Nottinghamshire, promises a weekend full of all-inclusive family entertainment. From live artists and tribute bands to workshops, character shows, great food, fairground rides and more.

What makes this festival extra special is that all entertainment, workshops, and activities are included in the ticket cost, with no hidden fee. Plus, you can even enjoy the free fairground rides until 5pm daily.

All performances, workshops, and activities are curated with children in mind. Little ones can meet beloved TV characters and entertainers while enjoying performances and workshops tailored just for them. This year's stellar lineup already includes favourites like Andy and The Odd Socks, Justin Fletcher, Paul Chuckle, Rozalla, and Black Lace Legend Dene Michael, with lots more still to be announced.

Gloworm Festival isn't just for kids – there's plenty to keep the adults entertained too! Parents can relive their favourite tunes and enjoy live performances with their little ones. Gloworm offers a perfect balance of entertainment making it a truly inclusive and memorable experience for the entire family.

Friends of the Baby Unit have been supporting the University Hospitals of Derby and Burton Neonatal Unit, who care for premature and sick babies for over 45 years.

From funding essential equipment for the unit itself, to providing wellbeing support and guidance to affected parents.

Since being established in 1976 we have raised around £2 million.

With the Neonatal Units caring for over 400 premature babies each year, we continue to need your help with fundraising and support.

If you would like more information about how to help us with fundraising and support please contact us via email, our website or social media.

There are so many ways you can get involved which make a huge difference. "Every baby deserves the BEST start in life."
