Welcome to

Interactive role play centres based in South Derbyshire

Titchy Town and Hero Town are both indoor play villages designed especially for little ones up to 8 years of age. Children can freely explore the many different play zones in both villages. The villages are designed to allow children's imagination to run wild whilst they role play in a safe environment.

Grown-ups can participate in their child's play, or just sit back and watch them learn whilst enjoying a mug of freshly brewed tea or coffee and an amazing homemade cake from our little coffee shop.

Where are we?

Titchy Town is based on the site of Scallywags Private Day Nursey in Chellaston (Rowallan Way, DE73 5WX).

Hero Town is based on the site of Scallywags Private Day Nursery in Melbourne (Castle Lane, DE73 8JB).

Please use Scallywags car park at both sites. You will find signage in both car parks on how to access the centres.

How it works?

Both role play centres work on a pre-book via our website and pay on arrival basis with sessions lasting 90 minutes. On your first entry you will be issued a loyalty card and for every nine sessions you attend you will receive your 10th entry free of charge! Loyalty cards can be used across both sites. Payment is cash only.

Welcome to Issue 68

Our gorgeous front cover is by our Lots for Tots
Award winner - Little Boo Photography

Hello again!

In this issue, we're thrilled to share an article from Nikki all about her brand new Moo Born baby massage—a lovely way for parents and babies to connect. We've also caught up with Derby Forest School to find out more about their amazing outdoor learning adventures, and we've got a fab feature from Studio 86 Dance that's sure to get everyone moving! As always, a big thank you to our wonderful regular advertisers—and a warm welcome to the new businesses joining us this time. Your support helps us continue to bring great local content to families across the area.

Make sure to check out our What's On guide, which is packed with family-friendly events running right through to October—you won't want to miss it!

I'll be back in November with your Winter Guide. Until then, enjoy the beach days, making school holiday memories, and plenty of fun!

Childcare funding for working parents

From September 2025:

If your child turns 9 months old on or before the 31 August 2025, then if you are eligible, you will receive 1140 funded hours per year starting in September 2025. In Derby, this is called Take Off early learning childcare.

You must reconfirm your eligibility for Take Off funded early learning childcare and Tax Free Childcare every 3 months with HRMC through your Government Gateway account. If you apply more than 3 months before the term starts, you'll have to reconfirm your eligibility in your account to keep your code valid.

WANTED - Children of the wild!

Derby Forest School runs sessions
in South Derbyshire for children of all ages.

The Nature Nursery run by Derby Forest School runs in the beautiful woodland at Whistlewood Common near Melbourne and offers an outstanding opportunity for children to run wild and free in a stunning location whilst receiving high quality education from exceptional early years staff. Catering for children from 2.5 upwards the nursery provides full day Forest School on Monday - Wednesday throughout the year and accepts all the usual childcare funding options including offering the government funded 15/30 hours.

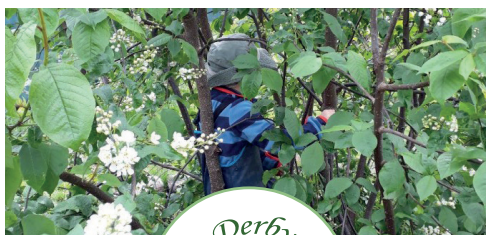

Children participate in a range of fantastic experiences including cooking on a campfire, den building and relaxing in the hammocks as well as learning about nature, wildlife, weather and the wider environment.

As well as the beautiful woodland, children have access to a warm and cosy straw bale roundhouse in the winter months, a yurt, fruit orchards, wildlife ponds and a community garden where they help with growing vegetables and fruit which are used in their daily snacks.

The ethos of the setting allows children the freedom to explore and discover all that nature has to offer with the support of enthusiastic adults who will delight in children's sense of awe and wonder. The curriculum follows children's interests and builds on what they already know skillfully, to prepare them for the next step in their learning. Whether they spend their days cooking up a storm in the mud kitchen, climbing trees, building tunnels in the digging area or creating crafts with natural resources children have fun, make friends and end each day, tired and happy.

Welcome to Studio

86

A Derby dance studio offering a diverse range of classes for all ages and skill levels.

As an accredited IDTA Syllabus provider and Dance Minds Collective associate, we provide comprehensive dance education with opportunities for IDTA Exams and performances.

Our Dance Classes cater to various interests, from Beginners Ballet to dynamic Street Dance and Commercial styles. At Studio 86, we foster creativity and technique, ensuring each student's journey is both enjoyable and enriching.

So when do you start your journey? The answer is anytime! but what better time to start with our diverse Toddler and pre school department.

Diddy Dancers with Stay & Play provides a delightful introduction to dance for preschoolers, accompanied by a parent or caregiver. Through playful movement activities and interactive exercises, little ones aged 18 months to 4 explore rhythm, coordination and creativity in a nurturing environment. Join us for a joyful class that celebrates the magic of dance and bonding between child, parents or grandparents.

We also offer the beginnings of our core disciplines - Baby Ballet and Tiny Tappers.

We offer young children aged 18 months to 4 years a delightful introduction to the world of dance. With imaginative exercises and playful routines, children explore ballet and tap fundamentals while nurturing their creativity.

Got a more active youngster, we cater for those too! Tumbling Tots offers a playful introduction to movement and tumbling for preschoolers. Our experienced instructors lead engaging sessions designed to develop coordination, balance and confidence in our youngest learners. Join us for a fun-filled class that sparks joy and lays the foundation for future physical activities.

We offer a free trial to everyone at this age, so you are sure and we hold a completely non-judgemental, inclusive atmosphere.

We look forward to welcoming you soon!

A promotional flyer for Studio 86 Dance School. It features the studio's logo at the top left. The main headline reads 'Professional dance classes for all ages!'. Below this, a paragraph states: 'Hosted in the heart of Derby, Studio 86 teaches an extensive range of dance techniques and styles for all ages and genders by our IDTA, UKDDF & NCSSE qualified teacher.' A list of bullet points follows: 'Classes for all abilities', 'UKDDF exams offered', 'Accessible & well located facilities', and 'Annual showcase and performance opportunities in London & Paris'. To the right of the text is a large photograph of a young girl in a white leotard. At the bottom right, there is a circular inset showing a group of children performing on stage, with a text overlay that says 'Classes from only £2.50!'. The bottom of the flyer includes social media icons for Facebook and Instagram, along with the text 'For more information and timetables, please visit us online at www.s86.co.uk' and the handles '@studio86derby' and '@studio86dance'.

Mooborn Massage

Moo Music Derby presents a new class - Baby Massage

Hello, my name is Nikki and I run Moo Music in Derby. Since beginning my business over three years ago I have been keen to expand my offerings and add exciting new classes to the timetable. With classes having won awards, and being busier than ever, there's never felt like a better time.

What is Mooborn Massage?

Our Baby Massage classes are 60 beautiful minutes long, over the five week block you will learn to massage your baby from their toes to their face.

What are the benefits of massage for your baby?

Did you know that a baby's most developed sense at birth is touch? Touch helps babies to feel safe, secure, loved and it helps them to make sense of the world around them.

We teach you about ways to soothe your baby if they have a tummy ache, they're teething or constipated. We teach you about anatomy, how developed specific systems are at birth and how you can help. We inform you about the benefits of touch, from proprioception to myelination of nerves. We empower you to know that you cannot love your baby too much. We celebrate you as you realise you are not 'making a rod for your own back', but instead you're strengthening your bond and giving them the very best start you can. But mostly, we make a safe and welcoming space for you. Exactly as you are.

Classes are delivered by me, fully trained, qualified and insured. The oil is provided, so are handouts, and even a biscuit or two! Who knows if that new coffee buddy, sounding board and new friend, is waiting for you in class?

Do you have a baby who is between 8 weeks and crawling? This one's for you!

Head over to Moo Music Derby on Instagram, Facebook, or the website to find up to date class listings for Mooborn Massage, or all classes on offer.

I look forward to welcoming you very soon.

Connected Perinatal Support

A day in the life of a Peer Supporter

At Connected we provide free peer support to parents across Derby from pregnancy through to 2 years after birth, but have you ever wondered what that actually looks like? Here's Steph's insight into what working as a Community Peer Support Worker at Connected involves.

My journey with Connected started as a trainee and I was lucky enough to get a paid role just before the end of my training. The training with Connected gave me the best start in my peer support journey, providing me with a tool belt of knowledge and confidence to provide support to families safely with my lived experience.

My job is so varied – no day or week is ever the same! I love getting to meet so many amazing families along the way. Some of my work is on the antenatal and postnatal wards and the Neonatal Intensive Care Unit at Derby Hospital, meeting families and giving them a safe space to talk and offload. I also provide birth support on the labour ward – it's amazing being part of someone's journey and empowering them to make the right decision for themselves and their babies.

Running our free, drop-in parent and baby groups in the community is a big part of my role. We have groups all over Derby to give mums, dads and non-birthing parents a safe, relaxed space to meet other parents, have a drink, a biscuit and chat with other parents and peer supporters.

I also provide 1-1 support for families. This can be face-to-face at the person's home, on the phone or at a place picked by the parent. Support is individual to that parent and starts in pregnancy and continues up until 12 weeks postnatally. One of my favorite things about the job is the amazing volunteers I get to see on a weekly basis. I get to introduce new volunteers to different parts of the community and watch them shine at what they do best.

We train volunteers every year. I would encourage anyone interested in volunteering for Connected to go for it, you won't look back! I learnt so much on my training and developed some amazing friendships within my cohort.

If you're interested in our Peer Supporter Training, book onto one of our free, informal information sessions:

- Monday 7th July, 10am – 12noon, Moorways Sports Village, DE24 9HY
- Wednesday 16th July, 7-8pm online
- Monday 18th August, 7-8pm online

We are a small, friendly school which is part of the local community. Our staff are dedicated to providing all our pupils with an excellent education and the emotional support they need to thrive and achieve their full potential.

All our children participate in Forest Schools, promoting a love of the outdoors.

We have a brand new EYFS outdoor space for our children where they can climb, ride bikes and explore together.

Spaces available in all year groups.

We welcome visits at any time, please call us on 01889 590373 to arrange a visit to see our school in action.

WRAP AROUND CARE

At both schools we offer a Breakfast Club, where children can join us for Breakfast from 8 am.

We also provide an After School Club until 5:30pm, children can join us for a snack and enjoy craft activities, sports and baking.

Our Pre-School group runs at both schools, call us for dates. Everyone is welcome to come and join our Early Years Class. You could be a mum, dad, grandparent or child-minder.

Are you a working parent(s) or carer(s) of a child aged between 9 months - 4 years old?

You could claim up to 30 hours of funded childcare. If eligible, you can take up a place from the term after your child becomes 9 months old. Apply at www.childcarechoices.gov.uk.

If eligible, take your code to your chosen provider the term **BEFORE** you wish your child to start.

You MUST reconfirm your code regularly in accordance with the dates in your childcare account to keep your funded place.

Introducing Lots for Tots Childcare

We're so excited to announce the launch of Lots for Tots Childcare, opening this September in Hilton – and we can't wait to welcome your little ones through the door!

Created by Lots for Tots Magazine, our nursery is built on the same values of **community**, **care**, and **connection** that local families have trusted for years.

What is Lots for Tots Childcare?

Lots for Tots Childcare is a brand-new early years setting for children aged 0–5. With spacious rooms, beautiful resources, and a warm, experienced team, we offer a space where every child is loved, supported and encouraged to thrive.

We Are Proud to Work with Local Businesses:

One of the things we're most excited about is bringing some of the amazing businesses featured in Lots for Tots Magazine directly into the nursery!

- **Soccerstars** sessions for our toddlers and preschoolers help build physical confidence and coordination through fun, age-appropriate sports.
- **Moo Music Derby** sessions for all ages encourage movement, language, and self-expression through joyful music and sensory play.
- **Claudia Rose Carter Photography** will be capturing beautiful seasonal photos and nursery memories throughout the year.
- Our staff are being trained in Paediatric First Aid by **Daisy First Aid Chesterfield**, ensuring the highest standard of care and safety for every child.

This is just the beginning! Our Manager Amanda is passionate about making sure families feel supported, seen and connected. Thanks to the magazine connections, we have built a fantastic network to signpost parents to a wide range of services.

Inside the Nursery:

- Little Clouds (0–2 years) – a nurturing space for babies and early explorers
- Rainbows (2–3 years) – a vibrant toddler room that encourages independence and creativity.
- Shooting Stars (3–4 years) – our preschool room, packed with opportunities to prepare for school in a fun, confidence-building environment.

All rooms follow the EYF3 curriculum and offer rich, meaningful learning experiences every day. Don't forget our nursery bears! Each room has its own cuddly bear who helps model good habits and even goes on weekend adventures with the children – a lovely way to strengthen the home–nursery connection.

What else can you expect?

- Daily parent updates through our nursery app - Blossom.
- Easy on-site parking.
- Closed for one week at Christmas and on bank holidays with no charge for this.
- Regular family events, celebration days, and themed weeks.
- A supportive, experienced team who love what they do.

A Word from Our Director

"As a mum of two and the owner of Lots for Tots Magazine, I know how important it is to build connections and find childcare that feels right. Lots for Tots Childcare is a place where families feel welcomed, children feel loved, and support is always available when you need it. We're more than a nursery – we're a community." – Beth Wheatley, Director
