Interactive role play centres based in South Derbyshire

Titchy Town and Hero Town are both indoor play villages designed especially for little ones up to 8 years of age. Children can freely explore the many different play zones in both villages. The villages are designed to allow children's imagination to run wild whilst they role play in a safe environment.

Grown-ups can participate in their child's play, or just sit back and watch them learn whilst enjoying a mug of freshly brewed tea or coffee and an amazing homemade cake from our little coffee shop.

Where are we?

Titchy Town is based on the site of Scallywags Private Day Nursey in Chellaston (Rowallan Way, DE73 5WX).

Hero Town is based on the site of Scallywags Private Day Nursery in Melbourne (Castle Lane, DE73 8JB).

Please use Scallywags car park at both sites. You will find signage in both car parks on how to access the centres.

How it works?

Both role play centres work on a pre-book via our website and pay on arrival basis with sessions lasting 90 minutes. On your first entry you will be issued a loyalty card and for every nine sessions you attend you will receive your 10th entry free of charge! Loyalty cards can be used across both sites. Payment is cash only.

Welcome to Issue 71

Our gorgeous front cover is by our runner up Georgia Emily Photography!

Welcome to our summer edition of Lots for Tots!

A huge congratulations to all of the businesses who made it to the finals of our Awards and especially to our runner-up and winners, who you can find in this edition's special award double-page feature. To be recognised as a finalist is such an achievement in itself and I want to say a heartfelt thank you to everyone who took the time to vote. We saw an incredible number of you flood to the website to support your favourites and the response was simply amazing.

A special thank you to our judges, who dedicated so much time to reading through the finalists' supporting information and making some very tricky decisions.

We've got lots of new advertisers this time - Infinite Wellbeing, The Olive Branch Toy Shop, Mickleover Methodist Preschool, Hettie and Sid, William Gilbert School, and Razzamatatz Derby and Burton. Do make sure you check these out.

Our events pages are bursting with fantastic ideas to keep you and your little ones busy over the summer, I know I can't wait to take my boys to lots of these events happening across Derbyshire.

Do take a look at our What's On Weekly pages at the back of the magazine too, as we've updated these with new classes, groups and some timetable changes to help you stay in the know.

For even more updates throughout the summer, including classes, events from our advertisers and other opportunities that pop up along the way, do follow the Lots for Tots Derbyshire social media pages where we share regular updates.

As this summer brings a very exciting new chapter for my own family too, I'll also be sharing snippets over on Beth Wheatley Diaries as I prepare to become a mum of three boys and explore new groups, places and adventures with little ones in tow - so do come and follow along there too.

I hope you enjoy a wonderful summer.

Beth x

Derby Forest School - Childcare with a difference!

Find out more about our Award Winning
Nature Nursery,

Based at Whistlewood Common near Melbourne, our year-round Nature Nursery offers sessions for children aged 2.5 upwards. Led by qualified teachers and forest school practitioners the nursery supports children's holistic development with a strong focus on social, emotional and language skills as well as learning about wildlife, the seasons and our natural environment. The children love the daily campfire and have access to a range of tools to develop their physical skills. With a well equipped mud kitchen, free access to creative activities and the freedom to explore their space, children thrive in these early years which are so important to their lifelong learning.

Each day is 7.5 hours long and children spend almost all of their time outdoors whatever the weather. Whilst we love a hammock on a sunny day, we also value the fantastic opportunities that rain, wind, ice and snow create for children to explore the world around them; this is often when we see the amazing sense of awe and wonder that children exhibit as they discover something new for the first time. We build shelters to provide respite from the weather when necessary and ensure that children are wearing the right protective clothing to ensure that they are able to fully participate comfortably. We also have access to a cosy straw bale roundhouse so we can retreat to story time in front of the fire with a hot chocolate when we need to.

Our Tree Tots group also runs weekly and provides an opportunity for parents to attend with their children and join in the fun together. This is an introduction to playtime in the woods usually with a snack for the children and singing round the campfire for all.

Little explorers, endless adventures

at Calke Abbey

Let little imaginations run wild this summer. Let off steam in the natural play area at Calke Explore, then enter the world of Little Calke Village in the Garden of Imagination. With pushchair-friendly paths, sunny and shady picnic spots and room to roam, it's an easy, joyful day out designed for little legs and curious minds.

For everyone, for ever

nationaltrust.org.uk/calke

Days out done differently at Calke Abbey

Space to play, places to pause, and adventures in every season.

At Calke Abbey, every visit is an opportunity for little explorers to discover something new. With wide-open parkland, winding garden paths and plenty of space to roam, it's a place where family days out can unfold at their own pace.

There's plenty to enjoy all year round. Step inside the House to uncover its stories and large natural history collection, explore the Gardens as the seasons change, or head to Calke Explore for natural play and den-building adventures. Little ones will love spotting deer in the parkland or taking a quiet moment at the bird hide, while grown-ups can enjoy a coffee break or a relaxed lunch at one of the refreshment spots.

Throughout the year, there's always something new to experience. From spring trails and summer's Garden of Imagination to autumn colour and festive winter events, seasonal activities and family-friendly programming offer plenty of reasons to return again and again.

Planning your visit is simple, with thoughtful touches to make family days out as stress-free as possible. Calke Abbey is a Breastfeeding Friendly venue, with baby changing facilities conveniently located near the Stableyards and Gardens. Highchairs, children's crockery and cutlery are available at all refreshment areas, along with colouring activities to keep little hands busy. If you're exploring the House with a toddler, you can even borrow a Hippy seat and sensory toys for extra ease.

With pushchair-friendly routes, space for little legs to stretch, and plenty of spots to pause for a picnic or ice cream, Calke Abbey includes thoughtful touches to make family visits memorable in all the right ways. Whether it's your first visit or one of many, there's always a new adventure waiting just around the corner.

Nursery places available for September 2026

Founded 1565

At William Gilbert Endowed Nursery, we offer a calm, nurturing and inspiring start to school life, where children feel safe, valued and excited to learn, with rich, memorable and engaging learning opportunities.

Our Aim is to see every child flourish in all areas of their development; spiritually, mentally, physically and academically. From the very start, we focus on happy children, strong foundations and a love of learning.

We are proud to share that our Nursery offers

A dedicated nursery garden, used exclusively by our youngest children – a peaceful outdoor space rooted in nature, to explore through the seasons.

A magical Wigloo – our willow dome and tunnel provide the perfect setting for storytime, quiet moments and imaginative play.

A rich and engaging Early Years curriculum, taught by an expert teacher, carefully designed to nurture curiosity, independence and confidence, and to prepare children for future learning.

Ofsted celebrated how *"Children in the early years get off to a flying start. Activities are purposeful and exciting, and children are curious; independant and happy learners."*

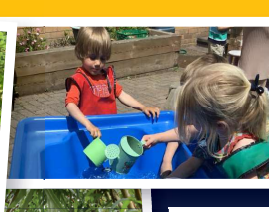

The 'Retreat' - a safe and special space within school for pupils and parents to access nurture and support during difficult times.

Childcare funding for working parents

From September 2025:

If your child turns 9 months old on or before the 31 August 2025, then if you are eligible, you will receive 1140 funded hours per year starting in September 2025. In Derby, this is called Take Off early learning childcare.

You must reconfirm your eligibility for Take Off funded early learning childcare and Tax Free Childcare every 3 months with HRMC through your Government Gateway account. If you apply more than 3 months before the term starts, you'll have to reconfirm your eligibility in your account to keep your code valid.
